

The Woburn Special Ed Parents' Advisory Committee (PAC), in conjunction with the Woburn Special Education Department, proudly presents:

All new Basic Rights Workshop

Thursday, October 22, 2009

7 - 9pm

Joyce Middle School Library

**Are you worried about your child's progress in school?
Do you think maybe something's not quite right but you don't
know where to turn?**

Christine Lenahan, Director of Special Education, will present a workshop on the IEP and 504 process. Topics will include:

An introduction of families' rights and responsibilities under the

- Individuals with Disabilities Education Act (IDEA),
- Massachusetts Special Education Law, and
- No Child Left Behind (NCLB)

How to become effective partners with the school;

How to start the testing process and determine eligibility;

To plan, make decisions about, and monitor the educational progress of their child.

The Woburn Special Education PAC's purpose is to act as a liaison between the Woburn District members and the School Department in an effort to create an accepting and caring environment for every child. We are a concerned group of parents who work closely with the school district to ensure the success of every child.

This is a must-see workshop for any parent of a child with a learning difference or a suspected difference.
